Mission Statement

Founded in 1944 the Kiwanis Club of the Five Towns has become one of the most active community service organizations in our area. Our diverse membership is a non-sectarian, non-political, civic organization dedicated to the promotion of the highest social, business and professional standards. Our Club provides a welcoming environment conducive to enduring friendships, as well as practical programs designed to meet human needs and make the Five Towns community a better place. Children are our first priority.

Which organizations do we contribute to?

Kiwanis Pediatric Trauma Center @ North Shore- LIJ's Cohen Children's Medical Center, Inwood Buccaneers; Girl Scouts; Cub Scouts, Five Towns Senior Center; Mary's Manor; Five Towns Early Learning Center, Juvenile Diabetes Research; LI Children's Museum, programs for wounded veterans. We provide scholarships for Lawrence, Lynbrook & Hewlett High Schools. We support: C.A.R.E.; Kiwanis Milk Fund; Autism & Cancer research and many other causes.

How do we raise money?

Each year the Kiwanis Club of the Five Towns sponsors different events to attract participation amongst our members and the community. In the fall we host our annual Pancake Breakfast. In the winter we host a Police Officer Appreciation Night recognizing our local law enforcement. During the summer we hold our annual Marty Mongoni Golf Outing. Our weekly Thursday meeting programs also help generate revenues with which we also support numerous worthy causes.

100% OF FUNDS RECEIVED GO TO WORTHY CAUSES; ALL ADMINISTRATIVE COSTS ARE COVERED BY MEMBERSHIP DUES OR DONATED SERVICES.
